

OBSERVES A

# NO GIFT POLICY

As public servants and professionals, the NPF officials and employees are expected to perform their duties and responsibilities without expectation of any favor or material reward. In this connection, our officials and employees are not allowed to accept nor solicit gifts from clients. This will help carry out the State policy of promoting a high standard of ethics in public service as the tenets of good governance and the principle that public office is a public trust.

Thank you for your help  
in upholding this policy.
